AT&T Town Hall

Join me for an important town hall meeting to discuss crucial issues and hear directly from AT&T representatives regarding AT&T's Carrier of Last Resort designation. Get information on AT&T's obligations and commitments and learn about the future of copper wire-based landline services.

Voice your concerns directly to AT&T about the quality and reliability of your landline service. This is also an excellent opportunity to receive information on state and legislative services available to you.
